

Second Annual

Transition Fair

What's Next in Your Life?

For Individuals with Disabilities and Special Needs

The Transition Fair is designed to expose students and parents to the employment, educational, and community service opportunities available to them in the greater Wilmington area. With approximately 500 young adults attending, this event will provide your business with the opportunity to showcase your unique characteristics and explain what sets you apart from the rest of your competition! Come and teach our youth what it takes to make it in today's world!

This event has been planned in accordance with New Hanover County School Board Policies. We are committed to equal employment opportunities and do not discriminate on the basis of gender, race, ethnic group or disability.

A great marketing
opportunity for everyone!
